ATTESTED: April 10, 2018

David Twa, County Administrator and Clerk of the Board of Supervisors

By: June McHuen, Deputy

Contact: Sandeep Singh, (925)  
313-2022

### FISCAL IMPACT: (CONT'D)

Estimated Project cost: \$67,000. 100% Gas Tax Funds.

### BACKGROUND:

The project is located in two unincorporated portions of Contra Costa County including Stone Valley Road in Alamo on the west side of the intersections with Todd Court and Shandelin Court where four curb ramps will be installed, and Arlington Avenue in Kensington on the northwest side of the intersection with Westminster Avenue where one curb ramp will be installed. The purpose of this Project is to improve accessibility according to the Americans with Disabilities Act (ADA) by installing a total of five curb ramps at the selected intersections to provide access for mobility impaired users. The construction process for curb ramps will consist of minor clearing and grubbing, saw-cutting, base rock placement and compaction, formwork construction, and concrete placement. A shrub at the intersection of Arlington and Westminster Avenues will be removed. Excavation will not go below existing base rock.

### CONSEQUENCE OF NEGATIVE ACTION:

Delay in approving the project may result in a delay of design, construction, and may jeopardize funding.
