At the time of negotiations, the payment limit was based on target levels of utilization.

BACKGROUND: (CONT'D)

However, the utilization during the term of the contract was higher than originally anticipated. Approval of Contract Amendment Agreement #74-475-23(4) will allow the contractor to provide additional mental health services through June 30, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, services provided to Contra Costa Mental Health Plan Medi-Cal beneficiaries could be negatively impacted, including access to services, choice of providers, cultural competency, language capacity, geographical locations of service providers, and waiting lists.
