BACKGROUND: (CONT'D)

The RFA program has a single approval standard that replaces the existing multiple processes for licensing foster family homes, approving relatives and non-relative extended family members as foster care providers, and approving families for legal guardianship or adoption. In compliance with state mandates, Contra Costa Community College District - Diablo Valley College will provide caregivers of foster children six 12-hour training sessions, locate and hire independent training consultants, and provide appropriate instructional materials to each training participant.

CONSEQUENCE OF NEGATIVE ACTION:

State law requires that all currently licensed foster family homes, approved relative caregivers, or non-relative extended family members must convert to the Resource Family Approval program no later than December 31, 2019. If the caregiver does not obtain resource family approval by December 31, 2019, all licenses and prior approvals shall forfeit on that date.

CHILDREN'S IMPACT STATEMENT:

This agreement supports all five of the community outcomes established in the Children's Report Card: 1) Children Ready for and Succeeding in School; 2) Children and Youth Healthy and Preparing for Productive Adulthood; 3) Families that are Economically Self Sufficient; 4) Families that are Safe, Stable and Nurturing; and 5) Communities that are Safe and Provide a High Quality of Life for Children and Families, by preparing families to better meet the needs of vulnerable children in the foster care system and allows seamless transition to permanency.
