To: Board of Supervisors  
From: David O. Livingston, Sheriff-Coroner  
Date: June 5, 2018

Subject: Interagency Agreement to Provide the City of Concord With Access to the California Law Enforcement Telecommunication System (CLETS)

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract with the City of Concord to pay the County an amount not to exceed \$5,400 for Level II access to the California Law Enforcement Telecommunication System (CLETS) for the period July 1, 2018 through June 30, 2021.

**FISCAL IMPACT:**

Revenue; 100% City of Concord. No net County cost.

**BACKGROUND:**

On April 17, 2008, the City of Concord began operation of a new Computer Aided Dispatch (CAD) system for all law enforcement activity. This new system does not provide the majority of designated city personnel with direct access to the California Law Enforcement Telecommunication System (CLETS). This Interagency Agreement will allow the Office of the Sheriff to provide CLETS access to the City of Concord via the Sheriff's Level II message switch. Board approval is required due to a change in the General Conditions section of this contract to include mutual indemnification.
