assures effectiveness, quality, efficiency, access, and acceptability of CCHP services by ongoing as well as periodic formal reviews of Management Information System data.

The MCC consists of 15 seats: 9 At-Large, 4 subscriber, and 2 provider seats. Each seat has a fixed three-year term. As recommended by the Phase III of Triennial Advisory Body Review and approved by the Board of Supervisors at its December 5, 2017 meeting, the MCC is in the process of revising its bylaws to add one additional seat for a Medicare subscriber for a senior or person with disabilities as this is required by the National Committee for Quality Assurance. In addition, the MCC is also broadening the title of “medical provider” to include Nurse Practitioners, Physician’s Assistants and Optometrists.

There are currently 7 seats filled in the MCC, 4 expired appointments pending reappointment, 1 pending appointment, and 3 vacant seats without pending candidates. These vacant seats include: Commercial Subscriber, Representative for Medically Indigent Health Care Needs, Physician, and Member-At-Large seats 1, 3, 4, and 8. The current membership is as follows:
