BACKGROUND: (CONT'D)

On July 18, 2017, the Board of Supervisors approved Contract #74-491-2 with The Tides Center, to provide MHSA-PEI services for residents in the Iron Triangle neighborhood of Richmond, for the period from July 1, 2017 through June 30, 2018, which included a six-month automatic extension through December 31, 2018.

Approval of Novation Contract #74-491-3 replaces the automatic extension under the prior contract and allows the contractor to continue providing MHSA-PEI services through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Residents of Richmond's Iron Triangle will not receive the MHSA-PEI services to influence factors that bear upon the healthy development and education of children from the community and improve community participation in education and health promotion, health protection, and violence prevention efforts.

CHILDREN'S IMPACT STATEMENT:

This MHSA-PEI program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include increases in social connectedness, communication skills, parenting skills, and knowledge of the human service system in Contra Costa County.
