BACKGROUND: (CONT'D)

Due to an increase in the number of claims and the addition of surgical services, an increase in the contract payment limit is now necessary. Approval of Contract Amendment Agreement #27-809-5 will allow the contractor to provide additional general surgery, hematology/oncology and urology services through July 31, 2018.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, certain specialized professional health care services for its members under the terms of their Individual and Group Health Plan membership contracts with the County will not be provided.
