BACKGROUND: (CONT'D)

for the period from July 1, 2017 through June 30, 2018.

Approval of Amendment #74-174-29 will allow the contractor to increase the rates under the Drug Medi-Cal Organized Delivery Service (DMC-ODS) waiver, which have been significantly low for residential facilities than initially anticipated. Department of Health Care Services (DHCS) approved the rate increase on May 28, 2018 to be retroactive to December 21, 2017.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, persons referred through the justice system will not receive the drug and substance abuse treatment services needed to maintain sobriety.
