cc:

In Contra Costa County, these services include parenting classes, case management, after school care, mentoring, family visitation and adoption support. The Request for Proposal will solicit responses from community-based, collaborative agencies that provide services in support of the County's PSSF program.

CONSEQUENCE OF NEGATIVE ACTION:

Without the open bid process for PSSF services, funding to the community could be jeopardized.

CHILDREN'S IMPACT STATEMENT:

Contracts resulting from the Request for Proposal #1163 will support all five of the community outcomes established in the Children's Report Card: 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Economically Self Sufficient"; 4) "Families that are Safe, Stable and Nurturing"; and, 5) "Communities that are Safe and Provide a High Quality of Life for Children and Families", by reducing the occurrence of child abuse and neglect, and providing support services to strengthen the family unit.
