Subject: Appropriation Adjustment - County Service Area P-6 Zones - Special Tax Levy - FY 17-18

RECOMMENDATION(S):

APPROVE Appropriations and Revenue Adjustment No.5088 authorizing new revenue in the amount of \$20,000 in various special tax levy zones within County Service Area P-6 for fiscal year 2017/18 and appropriating it for the provision of extended law enforcement services.

FISCAL IMPACT:

This action increases revenue and appropriations by \$20,000.

BACKGROUND:

The above action adjusts the total expenditures and revenues for County Service Area (CSA) P-6 Zones by a total of \$20,000. In July of each calendar year, the Board of Supervisors authorizes the special tax rate to be levied upon parcels in each CSA P-6 Zone based on the June CPI-U indicator released by the Bureau of Labor Statistics (BLS) as discussed in the fiscal impact section. Due to the significant amount of parcels in CSA P-6 zones, only the cumulative special tax amount is included in the fiscal impact section. Information regarding specific parcel taxes in particular zones is available for inspection in the Sheriff's Fiscal Services unit.
