are eligible for services according to the Federal Individuals with Disabilities Education Act (IDEA) or who are wards or dependents of Contra

BACKGROUND: (CONT'D)

Costa County Juvenile Court. Contractor also provides TBS to County-referred children.

On August 15, 2017 the Board of Supervisors approved Novation Contract #24-133-68 with La Cheim School, Inc., for school based services and a residential treatment program for SED youth ages 8-21 the period July 1, 2017 through June 30, 2018, which included a six-month automatic extension through December 31, 2018, for the provision of case management, school-based mental health services and TBS.

Approval of Novation Contract #24-133-69, replaces the automatic extension under the prior contract allowing the contractor to continue providing services through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer treatment options for wards of the Contra Costa County Juvenile Court and County's SED clients in West Contra Costa County as the County solicits and engages an alternate contractor. This may result in delays in the provisions of these treatment services as required by the Federal IDEA Act.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
