BACKGROUND: (CONT'D)

On June 20, 2017, the Board of Supervisors approved Novation Contract #74-321-12 with Bay Area Community Resources, Inc., for the period from July 1, 2017 through June 30, 2018, which included a six-month automatic extension through December 31, 2018, for the provision of school-based and community-based mental health services for SED children and youth.

Approval of Novation Contract #74-321-13 replaces the automatic extension under the prior contract, allowing the contractor to continue providing services through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer school-based mental health services available to SED students and their families which may result in the need for higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
