On September 12, 2017, the Board of Supervisors approved Novation Contract #24-308-45 with Early Childhood Mental Health Program for the provision of specialized mental health services to children and their families for the period from July 1, 2017 through June 30, 2018, which included a six-month

BACKGROUND: (CONT'D)

automatic extension through December 31, 2018.

Approval of Novation Contract #24-308-46 replaces the automatic extension under the prior contract and allows the contractor to continue providing mental health services, including in-home behavioral health services and intensive care coordination, through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer mental health services provided to families in West Contra Costa County.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
