

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: September 18, 2018

Subject: Approval of Agreement #28-377 with California Department of Public Health

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County, Agreement #28-377 with the California Department of Public Health for the California Reportable Disease Information Exchange (CalREDIE) System for data use and disclosure of public health conditions for statewide surveillance for the period August 1, 2018 through July 31, 2021.

FISCAL IMPACT:

This is a non-financial agreement.

BACKGROUND:

The purpose of this agreement is to improve the efficiency of surveillance activities and early detection of public health events through the collection of more complete and timely surveillance information on a statewide basis. The CalREDIE System database includes demographic, epidemiologic (including clinical information, risk factor information, and laboratory test results information), and administrative information on reportable diseases collected for the purpose of case investigation, disease prevention and surveillance.

BACKGROUND: (CONT'D)

Approval of this Agreement #28-377 will allow the County to report and receive data for its Public Health Division's Communicable Disease, HIV/Sexually Transmitted Disease Programs, through July 31, 2021. This agreement includes agreeing to mutually indemnify and hold the other party harmless from any claims arising out of the performance of this contract.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, the Public Health Division will not be able to improve the efficiency of surveillance activities and early detection of public health events in Contra Costa County.
