Subject: Interagency Agreement #28-331-2 with Antioch Unified School District

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County, Interagency Agreement #28-331-2 with Antioch Unified School District (AUSD), a government agency, to pay the County an amount not to exceed \$600,000 for mental health services to students referred to AUSD's HOPE program for the period August 1, 2018 through June 30, 2019.

**FISCAL IMPACT:**

Approval of this interagency agreement will result in a total payment to the County in an amount not to exceed \$600,000. No County match is required.

**BACKGROUND:**

On October 8, 2010, the State of California suspended funding for AB 3632 students, which relieved the counties in California from providing mental health services for special education students. This agreement will allow AUSD to provide funding for the County to provide mental health services to special education students who are residing in local and out-of-state residential facilities and students who receive outpatient services in the schools and county-operated clinics, through community-based organizations that have contracts

with County for professional mental health services.

## BACKGROUND: (CONT'D)

Under Interagency Agreement #28-331-2, AUSD will pay the County for the provision of mental health services to students referred to the AUSD's HOPE program, through June 30, 2019.

## CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, AUSD will not pay the County for providing mental health and crisis intervention services to students.

## CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
