Funding for the Family Wellness Program

BACKGROUND: (CONT'D)

was mistakenly included in this contract. This amendment will allow the Family Wellness Program funds to be used in a different contract to provide these services.

Approval of Contract Amendment Agreement #24-243-64 will allow the Contractor to continue to provide drug abuse prevention and treatment services, through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, funding that was mistakenly included in this contract will not be transferred to the appropriate contract to provide necessary services.

CHILDREN'S IMPACT STATEMENT:

This prevention and treatment program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include addicted youth being provided an opportunity to prevent or recover from the effects of alcohol or other drug use, become self-sufficient, and return to their families as productive individuals.
