County**

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: October 9, 2018

Subject: Interagency Agreement #29-507-17 with West Contra Costa Unified School District

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to execute on behalf of the County Interagency Agreement #29-507-17 with West Contra Costa Unified School District (WCCUSD), a government agency, to pay the County an amount not to exceed \$378,368 to provide mental health services to students and their families, for the period from July 1, 2018 through June 30, 2019.

FISCAL IMPACT:

Approval of this Interagency Agreement will result in a total payment to the County of \$378,368. No County match is required.

BACKGROUND:

On July 18, 2017, the Board of Supervisors approved Interagency Agreement #29-507-16 with WCCUSD to pay the County for the provision of mental health day treatment services to severely emotionally disturbed Special Education students and their families, who are participants in the Seneca Center's Early Periodic Screening, Diagnosis and Treatment (EPSDT) program, for the period from July 1, 2017 through June 30, 2018.

By: June McHuen, Deputy

Approval of Interagency Agreement #29-507-17 will allow the County to continue to provide mental health services to WCCUSD Special Education students and their families, through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will not receive payment for the provision of mental health day treatment services provided to severely emotionally disturbed students and their families during the term of this Contract.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
