CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED adolescents will not have access to mental health services while the County solicited and engaged an alternative contractor. This delay could necessitate higher levels of care for those adolescents.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
