services. Program outcomes seek to help clients further define and advance their educational and professional paths, ultimately leading to job placement or continued educational attainment.

The Program is intended to offer WTW participants an opportunity to increase their awareness of how their views and experiences shape their perception about work, money, and the circumstances of their lives. Understanding their role enables participants to decrease the barriers and increase the motivation to set goals and accomplish them.

The original interagency agreement with Liberty Adult Education was approved by the Board of Supervisors on April 24, 2018 (C.41), in the amount of \$64,000, for the period July 1, 2018 through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval of amended agreement, program participants will receive less services geared toward job placement and/or continued education attainment, resulting in continued reliance on public benefits.
