RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract amendment with Michael Baker International for development of a Flood Emergency Management program extending the termination date of the contract from October 8, 2018 to October 9, 2019 with no change to the payment limit.

FISCAL IMPACT:

No additional cost. The original payment limit of \$663,600 will be received through a grant from the Department of Water Resources to implement new flood safety plans.

BACKGROUND:

Contra Cost County Public Works applied to the Department of Water Resources (DWR) for a grant for the planning and implementations of the Contra Costa County Flood Emergency Response Program. DWR funded \$663,600 for Contra Costa County's Delta Flood Readiness activities. The Office of Emergency Services is a sub grantee of this DWR grant. Flood is ranked number 4 in the county's natural hazards local mitigation plan and therefore will greatly benefit from the grant projects as follows:
