Date: January 12, 2010
Subject: Declaring Camino Tassajara widening as a County Road

RECOMMENDATION(S):

ADOPT Resolution No. 2010/34 accepting Camino Tassajara widening improvements and declaring the widening to be part of the existing County road, Danville area.

FISCAL IMPACT:

No fiscal impact.

BACKGROUND:

Intersection improvements at Camino Tassajara and Blackhawk Road were a condition of approval for Intervening Properties/Wendt Ranch/Alamo Creek subdivisions (SD 8331, 8381, 8382). This work included a triple left-turn at the eastern leg of the intersection, which is under the County jurisdiction; while the Town of Danville has jurisdiction over the other three legs of the intersection. The additional right-of-way for road widening was dedicated in 2007 and needs to be accepted with the completion of improvements.

CONSEQUENCE OF NEGATIVE ACTION:

The widening of Camino Tassajara will not be accepted as County road.
