BACKGROUND: (CONT'D)

On September 11, 2018 (c.115), the Board approved the original contract, which provided funding for 32 childcare program slots for children ages 0 to 3 years. The contract also provides \$59,100 in program improvement funding and funding for 16 childcare program slots in the State General Childcare program. This amendment is to pass through the State increased daily reimbursement rate for the State General Childcare program from \$38.87 to \$41.04.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, the County will not be able to pass through the State mandated increased daily reimbursement rate.

CHILDREN'S IMPACT STATEMENT:

The Employment and Human Services Department, Community Services Bureau, supports three of Contra Costa County's community outcomes - Outcome 1: Children Ready for and Succeeding in School, Outcome 3: Families that are Economically Self-sufficient, and Outcome 4: Families that are Safe, Stable, and Nurturing. These outcomes are achieved by offering comprehensive services, including high quality early childhood education, nutrition, and health services to low-income children throughout Contra Costa County.
