BACKGROUND: (CONT'D)

Community Action Agency, the Department's Community Services Bureau regularly receives Community Services Block Grant (CSBG) funding to operate self-sufficiency programs under the advisement of the County's Economic Opportunity Council. The self-sufficiency programs have the goal of ameliorating poverty in Contra Costa County through programs that address housing, economic development and food security. Examples of programs to receive funding include those that provide employment training, housing payment assistance and food distribution.

The Board approved the funding allocation on November 13, 2018 (C.30) in the amount of \$847,381. This allocation was an estimate provided by the state based on 2018 allocations. At this time, the state has the accurate 2019 allocation as confirmed by the federal budget. This board order is to clarify the new payment limit.

CONSEQUENCE OF NEGATIVE ACTION:

The Department will be hampered in its ability to operate self-sufficiency programs in the community, and to establish partnerships with community based agencies and public organizations.
