not performed. These infections can result in serious illness and hospitalization across the age spectrum. Administering the expanded case report and the eCEA questionnaire will allow health officials to gathering additional information that could result in enhanced disease prevention and control activities.

On March 13, 2018, the Board of Supervisors approved Grant Agreement #29-818 with Public Health Foundation Enterprises, Inc. to receive funds for participation in the eCEA, to study foodborne bacteria, for the period from January 1, 2018 through July 31, 2018.

Approval of Agreement #29-818-1 will allow the County to receive additional funds to support the eCEA Project, through July 31, 2019. This Agreement includes mutual indemnification.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, The County will not receive funding to provide services for the eCEA Project.
