disorder. Today, people with substance Use Disorders with Medi-Cal health coverage have limited treatment options available. The DMC-ODS Waiver allows any California county to “opt in” to provide a full continuum of services currently unavailable to Medi-Cal beneficiaries following submission and approval of a County Implementation Plan (CIP). Contra Costa County – specifically, the Behavioral Health Division’s Alcohol and Other Drug Services received DHCS approval of its CIP on August 10, 2016.

Approval of this Amendment #29-811-2 will increase the amount payable to the County for additional SUD treatment services, through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this Amendment is not approved the County will not be reimbursed for additional SUD treatment services.
