RECOMMENDATION(S):

ACCEPT the Fiscal Year 2018-2019 Community Facilities District Tax Administration Report on County of Contra Costa Community Facilities District No. 2007-1 (Stormwater Management Facilities), as required by Sections 50075.3 and 53411 of the California Government Code, as recommended by the Public Works Director, Countywide.

FISCAL IMPACT:

This report relates to special taxes approved by voters and payment for authorized services by said special taxes. Community Facilities District (CFD) No. 2007-1 funds its own administration, including preparation of Annual CFD Tax Administration Reports.

BACKGROUND:

On August 14, 2007, the County of Contra Costa Board of Supervisors established CFD No. 2007-1. In a landowner election held the same day, the sole owner of property within the CFD voted to authorize the levy of a Mello-Roos special tax on property within CFD No. 2007-1. At CFD formation, the CFD boundary included two parcels in the Bay Point area of Contra Costa County (County). The future potential annexation area of CFD No. 2007-1 includes all parcels in the unincorporated area of the County that will be developed

or redeveloped. In Fiscal Year 2015-2016, three additional development projects had completed annexation into CFD No. 2007-1 for a total of 21 properties that are now a part of this CFD. It is anticipated that subsequent development projects within the unincorporated areas of the County will continue to annex into CFD No. 2007-1.

The purpose of the CFD is to generate special tax revenue to fund specified stormwater management facilities services provided by the County to the property owners within CFD 2007-1. The County began to provide authorized CFD services during Fiscal Year 2009-2010.

California Government Code Sections 50075.3 and 53411 require that specified information be provided to the Board of Supervisors on an annual basis. The reporting requirements include information on Mello-Roos CFD Special Taxes collected and the status of any project required or authorized to be funded by the special taxes. The attached CFD Tax Administration Report fulfills the requirement of the Government Code. Information provided in the CFD Tax Administration Report in compliance with regulatory reporting requirements is summarized below:

BACKGROUND: (CONT'D)

Section 50075.3

Item (a): Identify amount of special taxes that have been collected and expended.

Response to Item (a): The fiscal year 2018-2019 special tax levy was \$34,037, received from 132 taxed parcels. The total levy has been used to pay Authorized Tier 1 Services, as well as administrative costs for the CFD.

Item (b): Identify the status of any project required or authorized to be funded by the special taxes.

Response to Item (b): The services authorized to be funded from special taxes include stormwater facilities management services that are further described in Section VI of the CFD Tax Administration Report. These services are ongoing.

Section 53411

Item (a): Identify the amount of bonds that have been collected and expended.

Item (b): Identify the status of any projects required or authorized to be funded from bond proceeds.

Response to Items (a) and (b): Section 53411 is not applicable to CFD No. 2007-1, which did not authorize the sale of any bonds or any projects to be funded from bond proceeds.

CONSEQUENCE OF NEGATIVE ACTION:

The County may be out of compliance with California Government Code Sections 50075.3 and 53411.
