and Health Centers, and providers throughout the County.

BACKGROUND: (CONT'D)

On July 24, 2018, the Board of Supervisors approved acceptance of Grant Award #29-393-28 with the California Department of Public Health, TB Control Branch, for the County's TB Control Program, for the period from July 1, 2018 through June 30, 2019.

Approval of Grant Award Amendment #29-393-29 will allow the Department to receive additional funds to continue to expand its prevention and control activities, through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, the County will not receive additional funds for services which would result in a decrease in the number of TB patients who receive appropriate treatment and therefore increasing the spread of TB.
