consulting, design development, programming services, maintenance and support services to the Sheriff's Office, including without limitation, the Data Standardization, Data Warehouse Decommission, LInX Integration and Agency Data Mapping Integration projects. There are currently more than 9,000 users from over 104 different agencies participating in the system.

CONSEQUENCE OF NEGATIVE ACTION:

ARIES continues to improve the way it does business everyday by providing reliable and functional application to law enforcement agencies. If this contract is not approved, ARIES will not be able to continue to improve, upgrade and implement a sophisticated data sharing system for more than 9,000 users.
