Subject: Request for Relief of Cash Shortage

Contra Costa County

RECOMMENDATION(S):

AUTHORIZE relief of cash shortage in the Health Services - Conservatorship/Guardianship Program in the amount of \$656.73.

FISCAL IMPACT:

Cash shortage in the amount of \$656.73 will be funded with 100% General Fund.

BACKGROUND:

In accordance with provisions of Administrative Bulletin 207.7, the Auditor-Controller has verified and concurs with the report of a cash shortage in the amount of \$656.73 in the Health Services - Conservatorship/Guardianship Program.

The shortage occurred in 2010 resulting from a W9 with information that conflicted with IRS files and triggered an incorrect withholding against the Conservatorship pooled client fiduciary account. Many attempts have been made to correct this but, due to the improbability of successful recovery of the balance from the IRS, the department is requesting a relief of cash shortage.
