BACKGROUND: (CONT'D)

through the county's Social Services Agency. In Contra Costa County that agency is Employment and Human Services (EHSD). In April 2015, CDSS audited Contra Costa Probation's Title IV-E claims. During this audit it was determined that Probation is properly claiming the correct juveniles, but there was concern that Probation was under reporting the amount of time they are working with these youths. JBI specializes in Federal Revenue Maximization for state and local entities. They are the national experts in Title IV-E claiming assistance for Probation departments and they contract with 30 Probation departments in California alone. Contra Costa Probation needs the assistance of JBI to determine how to accurately capture the amount of time deputies work with Title IV-E eligible youths.

CONSEQUENCE OF NEGATIVE ACTION:

Contra Costa County will no longer have the training and claiming expertise provided by JBI.

CHILDREN'S IMPACT STATEMENT:

This action supports four of the community outcomes established in the Children's Report Card, 1) "Children Ready for and Succeeding in School"; 2) "Children and Youth Healthy and Preparing for Productive Adulthood"; 3) "Families that are Safe, Stable and Nurturing"; and, 4) "Communities that are Safe and Provide a High Quality of Life for Children and Families"
