Approval of Contract Amendment Agreement #24-794-9(11) will allow the Contractor to decrease the payment limit and include a six month automatic extension through December 31, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, the contract payment limit will not be consistent with the County's utilization of the services provided by the Contractor nor will an automatic extension be available for the County to continue receiving services for inpatient psychiatric services at the Contractor's facility.

CHILDREN'S IMPACT STATEMENT:

This program supports the following Board of Supervisors' community outcome:

"Communities that are Safe and Provide a High Quality of Life for Children and Families".

Expected program outcomes include a decrease in the need for inpatient care and placement at a lower level of care.
