BACKGROUND: (CONT'D)

Act, to ensure services for adults with behavioral issues who are committing non-serious, non-violent crimes are available through prevention, diversion and support programs.

On September 26, 2017, the Board of Supervisors approved Contract #29-815 with the California Board of State and Community Corrections for the CoCo LEAD+ project which provides pre-arrest, at-arrest and post-arrest diversion opportunities and coordination services for Antioch residents with behavioral health issues through for the period from June 16, 2017 through August 20, 2020.

Approval of Grant Amendment Agreement #29-815-1 will allow the County to extend the termination date from August 20, 2020 to September 30, 2021. This Agreement requires the County to indemnify the State for claims arising out of the County's performance under the Agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, County will not receive funding to support the CoCo LEAD+ program and Antioch residents with behavioral health issues committing non-violent and non-serious crimes will not receive prevention, diversion and support services.
