Subject: Add One Disease Intervention Technician in Health Services to Execute a Settlement Agreement

---

**RECOMMENDATION(S):**

ADOPT Position Adjustment No. 22454 to add one (1) Disease Intervention Technician (V7WB) position (represented) in salary plan and grade TC5-1284 (\$4,378 - \$5,322) effective October 1, 2018, in the Health Services Department.

**FISCAL IMPACT:**

The estimated cost for this action is \$116,124 with pension cost of \$24,321.70 already included. These costs will be fully offset by TB registration and control fees.

**BACKGROUND:**

The Health Services Department requires the addition of one Disease Intervention Technician position effective October 1, 2018 to comply with a settlement agreement. Once all settlement agreement terms are met, the Department will return to the Board at a later date to cancel Disease Intervention Technician position #12711.

**CONSEQUENCE OF NEGATIVE ACTION:**

If this action is not approved, the County will not fulfill its obligations of a settlement agreement.
