

Contra  
Costa  
County

To: Board of Supervisors  
From: Brian M. Balbas, Public Works Director/Chief Engineer  
Date: May 21, 2019

Subject: Consulting Services Agreement with Quincy Engineering, Incorporated, Countywide

---

**RECOMMENDATION(S):**

APPROVE and AUTHORIZE the Public Works Director, or designee, to execute a Consulting Services Agreement (“contract”) with Quincy Engineering, Incorporated (“Quincy”) in an amount not to exceed \$250,000, for the period May 21, 2019 through May 7, 2022, to provide on-call structural engineering services, Countywide. (Project Nos. Various)(All Districts)

**FISCAL IMPACT:**

Work performed under this on-call contract is funded by developer fees, local, state and federal funds for road, flood control, and airport projects.

**BACKGROUND:**

The Public Works Department is involved in various projects in the County that require structural engineering services for road, flood control, and airport projects. After a solicitation process, Quincy was selected as one of seven firms to provide structural engineering services on an “on-call” basis. The Consultant will be used to provide structural engineering services as in-house expertise is not available. This on-call contract will be in effect for thirty-six months.

cc:

Government Code Section 31000 and 4525 authorizes the County to contract for services including the type of structural engineering that Quincy provides.

CONSEQUENCE OF NEGATIVE ACTION:

Without approval from the Board of Supervisors, there is possible delay in completing projects requiring structural engineering services. Executing this contract will facilitate the process of design and construction for various Public Works projects requiring structural engineering expertise.
