BACKGROUND:

In February 2019 the Department of Conservation and Development (DCD) launched its public outreach around Envision Contra Costa 2040, the County's effort to update its General Plan, Zoning Code, and Climate Action Plan. Since then DCD has conducted 15 community meetings covering 25 unincorporated communities, and three open house events aimed at highlighting regional issues. Nearly 400 people have attended these meetings. Outreach has also occurred online (www.envisioncontracosta2040.org) and through social media platforms, newsletters, flyers, and a billboard on Interstate 680. Public outreach in various forms will continue throughout the Envision Contra Costa 2040 process. The slides in Attachment A provide additional summary information on the effort. Attachment B is a table listing most frequent general issues raised in each community. Attachment C is a summary of the regional open house events.
