BACKGROUND: (CONT'D)

At the time of negotiations, the payment limit was based on target levels of utilization. However, the utilization during the term of the Contract was higher than originally anticipated. Approval of Contract Amendment Agreement #74-475-78(2) will allow the Contractor to provide additional mental health services through June 30, 2019.

CONSEQUENCE OF NEGATIVE ACTION:

If this amendment is not approved, services provided to Contra Costa Mental Health Plan Medi-Cal beneficiaries could be negatively impacted, including access to services, choice of providers, cultural competency, language capacity, geographical locations of service providers, and waiting lists.
