

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: June 18, 2019

Subject: Grant Award #28-637-27 with the U. S. Department of Health and Human Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Health Services Director, or designee, to accept a Grant Award #28-637-27 with the U.S. Department of Health and Human Services, Health Resources and Services Administration, to pay the County an amount not to exceed \$217,954, for the Ryan White, Part C, HIV Early Intervention Services Program, for the period from May 1, 2019 through April 30, 2020.

FISCAL IMPACT:

Acceptance of the Grant Award will result in payment to the County up to \$217,954 in funding from the U.S. Department of Health and Human Services (Health Resources & Services Administration). No County match required.

BACKGROUND:

West Contra Costa County has been hard hit by the AIDS epidemic with 25% of those living with AIDS residing in the City of Richmond. Unfortunately, a large percentage of those living with HIV/AIDS are of low income having to rely on Basic Health Care (BHC)

for their medical care, or forced to pay for their medical care, because they do not qualify for BHC services. The County's AIDS Program works closely

BACKGROUND: (CONT'D)

with other staff in Public Health as well as physicians and medical social workers at Contra Costa Regional Medical Center and Health Centers, community-based partners, and private providers throughout the County to reduce the transmission of HIV, improve access to health care, and to enhance quality of life for those with HIV.

Approval of Grant Award #28-637-27 will allow the County's AIDS Program to continue to receive funding to provide outpatient medical services to low-income HIV positive recipients in West Contra Costa County through April 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this grant is not approved, the County will not receive funds to assist the low-income HIV positive recipients in West Contra Costa County with outpatient medical services.
