To: Board of Supervisors
From: David O. Livingston, Sheriff-Coroner
Date: June 18, 2019

Subject: Marine Salvage Services - Sean Alexander Marine Services

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Sheriff-Coroner, or designee, to execute a contract amendment with Sean Alexander Marine Services for marine salvage services extending the termination date of the contract from May 31, 2019 to November 30, 2019 with no change in the payment limit. The extension will allow for continued services while a request for proposal is completed and a vendor is chosen.

FISCAL IMPACT:

\$500,000.00. Budgeted. Funded by the California Department of Boating and Waterways grant, Surrendered and Abandoned Vessel Exchange (SAVE) and the General Fund.

BACKGROUND:

The waterways in and around Contra Costa County have long been used for the illegal dumping and sinking of abandoned and derelict vessels of all sizes and types. If allowed to remain, these vessels are often hazards to safety, navigation, wildlife, and are hazardous to the environment. Many vessels are carrying hazardous materials. The vessels adversely impact residents, commercial, and recreational boaters in and around Contra Costa County.

BACKGROUND: (CONT'D)

The Office of the Sheriff's Marine Services Unit utilizes salvors who are specially trained, equipped, and capable of removing the vessels that may be afloat, aground or submerged.

CONSEQUENCE OF NEGATIVE ACTION:

The Office of the Sheriff may not be in compliance with the grant funding and in addition, abandoned vessels may not be removed from County waterways.
