FISCAL IMPACT:

The funds allocated for this contract are 70% State 2011 Realignment and 30% County General Fund.

BACKGROUND:

The Receiving Centers serve as the hub of the Employment and Human Services Department (EHSD) emergency shelter system. They provide temporary care to children who have been taken into protective custody and children and youth who are transitioning into resource family (foster) placements. The Receiving Centers offer a homelike setting and are designed to promote stability in placement, focus on the needs of the individual child, minimize move, and support permanency at the early stages of EHSD intervention.
