BACKGROUND: (CONT'D)

On December 11, 2018, the Board of Supervisors approved Interagency Agreement #28-343-4 with West Contra Costa Unified School District for the provision of school-based mobile clinic services to children within the District through June 30, 2019.

Approval of Interagency Agreement #28-343-5 will allow Agency to continue to pay County for the provision of school-based mobile clinic services through June 30, 2020, including County's agreement to indemnify the District.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, Agency will not pay County for West Contra Costa County low-income and disadvantaged school children to receive preventive health screenings, well-child examinations, and primary health care services from County's mobile clinics.

CHILDREN'S IMPACT STATEMENT:

This program supports two of the Board of Supervisors' five community outcomes: "Children Ready For and Succeeding in School" and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in the number of healthy children within the District.
