BACKGROUND: (CONT'D)

On September 11, 2018, the Board of Supervisors approved Novation Contract #24-409-38 with The West Contra Costa Youth Services Bureau, for the period from July 1, 2018 through June 30, 2019, which included a six-month automatic extension through December 31, 2019, for the provision of wraparound mental health services for SED children in West Contra Costa County.

Approval of Novation Contract #24-409-39 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing services through June 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, there will be fewer community based mental health services available in West Contra Costa County to children and their families.

CHILDREN'S IMPACT STATEMENT:

This program supports three of the Board of Supervisors' five community outcomes: Children ready for and succeeding in school; Families that are safe, stable, nurturing; and Communities that are safe and provide a high quality of life for children and families. Expected outcomes include all goals identified by Children's Statewide System of Care guidelines including an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS) and decreased use of acute care system.
