services by addressing barriers and getting the right resources to the right people at the right time, and, 2) serving all homeless clients throughout the County by providing supportive services including case managers, housing navigators, prevention and diversion counseling and have outreach team staff who locate and engage clients in the Coordinated Entry System, supported by housing navigators in our crisis response system

On July 24, 2018, the Board of Supervisors approved Contract #29-810-1 with HUD, for McKinney-Vento Act funds, to pay County an amount not to exceed \$666,691 for the provision of the County's Continuum of Care Coordinated Entry System for the period from July 1, 2018 through June 30, 2019.

Approval of Grant Agreement #29-810-2 will allow the County to receive funding for the provision of the Continuum of Care Coordinated Entry Project through September 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this award is not accepted, the County will not receive funding to expand the Continuum of Care project, which will result in fewer supportive services for homeless individuals and families putting their well-being and safety at risk.
