BACKGROUND: (CONT'D)

approved Amendment Agreement #28-694-18 which extended the termination date to June 20, 2019 and added funds for fiscal year 2018/2019. The Health Services Department continues to seek funding to operate the emergency shelter program at full capacity on a year-round basis. Each year, the shelters provide interim housing and support services to over 800 individuals per year. The CDBG program, funded by the U.S. Department of Housing and Urban Development, is a source of public funding providing valuable housing and service benefits to homeless persons of Contra Costa County. Without such funding, the emergency shelter program may have to operate at a reduced capacity.

Approval of Grant Amendment #28-694-19 will allow County to receive additional funds from the City of Concord to continue providing services, through June 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this agreement is not approved, County will not receive funding and without such funding, the emergency shelter program may have to operate at a reduced capacity.
