services for homeless men and women; it is critical that we maintain services at their current levels. FEMA funds would be instrumental in helping Homeless Program continue to accomplish that goal. The Calli House (Emergency Shelter for Youth) provides outreach, short-term shelter, goal-oriented counseling, educational and vocational opportunities to homeless and street youth, ages 14 to 24 in West County.

Approval of Grant Award #20-1011-10 will provide Department of Homeland Security Funding through the EFSP Local Board for the Homeless Program to continue to serve Contra Costa County homeless adults and youth, through March 31, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If not approved, Health Services Department will not receive the additional funds to support the Adult Interim Housing Program or Calli House Homeless Youth Shelter and without such funding, may have to operate at a reduced capacity.
