including residential treatment services for Contra Costa County women with children at Contractor's facility in San Mateo County through June 30, 2020. These services are available on a limited basis within Contra Costa County, and this contract expands the network capacity by establishing treatment services in San Mateo County.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, County's Clients will not receive substance abuse treatment from Contractor, resulting in an overall reduction of services to a community at risk for incarceration.
