

Contra
Costa
County

To: Board of Supervisors
From: Anna Roth, Health Services Director
Date: August 6, 2019

Subject: Purchase Order with Roche Diagnostics Corporation

RECOMMENDATION(S):

APPROVE and AUTHORIZE the Purchasing Agent to execute, on behalf of Health Services Director, a Purchase Order with Roche Diagnostics Corporation, in an amount not to exceed \$1,500,000 for reagents used in the Public Health (PH) Laboratory, for the period from July 1, 2019 through June 30, 2022.

FISCAL IMPACT:

100% funding is included in the Hospital Enterprise Fund I budget.

BACKGROUND:

Roche Diagnostic Corporation has been used by the Health Services Department for over twenty (20) years. Roche provides the reagents required for use with the testing instrument in our PH Laboratory. The reagents are necessary for specimens to be tested for viruses & bacteria such as Hepatitis B & C and HIV. Additionally, the Public Health Laboratory is required to use these specific reagents to keep us in compliance with our Instrument Maintenance Agreement.

CONSEQUENCE OF NEGATIVE ACTION:

If this Purchase Order is not approved, the health care system would not be able to monitor the viral load of the patients as they are treated for the viruses noted above. The tests would then need to be conducted by outside labs at a greater cost to the county. PH Laboratory also uses the reagents purchased from Roche Diagnostics to conduct similar testing for the Alameda County AIDS Program which generates revenue for Contra Costa County, without the reagents we would not be able to conduct these tests.
