BACKGROUND: (CONT'D)

Approval of Contract #74-575-1 replaces the automatic extension under the prior contract and allows the Contractor to continue to provide mental health services through June 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED adolescents will not have access to mental health services while the County solicited and engaged an alternative contractor. This delay could necessitate higher levels of care for those adolescents.

CHILDREN'S IMPACT STATEMENT:

This program supports two of the Board of Supervisors' five children's outcomes: "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
