Family Therapy Program for SED adolescents who are discharged from Juvenile Hall and the Orin Allen Youth Rehabilitation Facility,

BACKGROUND: (CONT'D)

for the period from July 1, 2018 through June 30, 2019 which included a six-month extension through December 31, 2019.

Approval of Novation Contract #74-526-5 replaces the automatic extension under the prior Contract and allows the Contractor to continue providing mental health services through June 30, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this contract is not approved, SED children and adolescents involved in the juvenile justice system will not have access to Contractor's mental health services which may result in a reduction of services and placement in higher levels of care.

CHILDREN'S IMPACT STATEMENT:

This Board action supports three of the Board of Supervisors' children's outcomes: "Children Ready For and Succeeding in School"; "Families that are Safe, Stable, and Nurturing"; and "Communities that are Safe and Provide a High Quality of Life for Children and Families". Expected program outcomes include an increase in positive social and emotional development as measured by the Child and Adolescent Functional Assessment Scale (CAFAS).
