**BACKGROUND: (CONT'D)**

to provide school-based mobile clinic services to children within the Mt. Diablo Unified School District (“District”), for the period March 1, 2017 through August 31, 2020, including County’s agreement to indemnify the District.

Approval of Amendment Agreement #28–342-2 will allow County to provide additional school-based mobile clinic services to children within the Mt. Diablo Unified School District through August 31, 2020.

**CONSEQUENCE OF NEGATIVE ACTION:**

If this contract is not approved, low-income and disadvantaged school children and youth in Central Contra Costa County will not receive additional health care services from County’s mobile clinics.

**CHILDREN'S IMPACT STATEMENT:**

This program supports the following Board of Supervisors’ community outcomes: “Children Ready For and Succeeding in School” and “Communities that are Safe and Provide a High Quality of Life for Children and Families”. Expected program outcomes include an increase in the number of healthy children within the District.
