BACKGROUND: (CONT'D)

Costa Office of Education, Calli House Youth Shelter and Concord Homeless Shelter. Data from the California Opioid Overdose Surveillance Dashboard show that areas of West and East Contra Costa, including Richmond, Pittsburg and Antioch, have some of the highest rates of opioid overdose deaths for all ages in the county, indicating that misuse of opioids and OUD is an issue in these areas. Because most adults with OUD started using opioids before age 25, misuse of opioids and OUD among youth and young adults in these areas is a concern.

Approval of Grant Award #28-900 with allow County to receive funds for prevention screening, intervention, and treatment services for youth to reduce OUD through August 31, 2020.

CONSEQUENCE OF NEGATIVE ACTION:

If this award is not accepted, County will not receive funds to reduce opioid use disorder and opioid overdose among youth in East and West Contra Costa County.
